

Information sheet

Driver, 200w - 12v, Waterproof

IP 66

Completely sealed

Stable output voltage

Over current/thermal protection

Easy heat dissipation

Environmental friendly

Built in protective circuit

Dimensions: approx mm

Specifications

Waterproof

Short circuit protection

12v - 200w

50/ 60hz

IP66

Product Code

DRIVER200W-12V

200w-12v

IP 66
